# Newton Parish Council Completion of the limited assurance review for the year ended 31 March 2022

#### Dear Mr Crimmin

We have completed our review of the Annual Governance & Accountability Return (AGAR) for Newton Parish Council for the year ended 31 March 2022. Please find our external auditor report and certificate (Section 3 of the AGAR Form 3) included for your attention as an attachment to the email containing this letter along with a copy of Sections 1 and 2 of the AGAR, on which our report is based.

The external auditor report and certificate details any matters arising from the review. The smaller authority must consider these matters and decide what, if any, action is required.

#### Action you are required to take at the conclusion of the review

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. In summary, you are required to:

- Prepare a "Notice of conclusion of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose (a Word version is available on request).
- Publish the "Notice" along with the certified AGAR (Sections 1, 2 & 3) before 30 September, which must include publication on the smaller authority's website. (Please note that when the statute and regulations were amended in 2014 and 2015, they did not include a requirement for the length of time for which that the "Notice" must be published. The previous statute required 14 days; but it is now up to the authority to make this decision).
- Keep copies of the AGAR available for purchase by any person on payment of a reasonable sum.
- Ensure that Sections 1, 2 and 3 of the published AGAR remain available for public access for a period of not less than 5 years from the date of publication.

#### Fee

We enclose our fee note, on page 4 of this attachment, for the limited assurance review, which is in accordance with the fee scales set by Smaller Authorities' Audit Appointments Ltd which can be found at <a href="https://saaa.co.uk/fees.html">https://saaa.co.uk/fees.html</a>. This fee is statutory which must be paid and is due immediately on receipt of invoice, please arrange for this to be paid at the earliest opportunity.

Additional charges are itemised on the fee note, where applicable. These arise where either:

- we have had to issue chaser letters and/or exercise our statutory powers due to a failure to provide an AGAR by the submission deadline; or
- it was necessary for us to undertake additional work.

Please return the remittance advice with your payment, which should be sent to: PKF Littlejohn LLP, Ref: Credit control (SBA), 5<sup>th</sup> Floor, 15 Westferry Circus, Canary Wharf, London, E14 4HD. Please include the reference SF0286 or Newton Parish Council as a reference when paying by BACS.

#### Timetable for 2022/23

The 2021/22 reporting year is the last year of our current five-year contract with SAAA. If we are appointed as your external auditor for the subsequent five-year contract for years 2022/23 to 2026/27, the timetable will be broadly similar to that for 2021/22. If we are not appointed as your external auditor, the successor auditor will contact you directly to notify you of their timetable.

#### Feedback on 2021/22

Please note that if you wish to provide feedback, our satisfaction survey template can be used, which is available on our website on this page: <a href="https://www.pkf-l.com/services/limited-assurance-reqime/useful-information-and-links/">https://www.pkf-l.com/services/limited-assurance-reqime/useful-information-and-links/</a>

## Section 3 - External Auditor Report and Certificate 2021/22

In respect of

Newton Parish Council - SF0286

## 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

The AGAR was not accurately completed before submission for review:

Section 2, Box 4 for the prior year incorrectly includes Locum Clerk expenses, which are not staff costs as defined in the Joint Panel on Accountability and Governance Practitioners' Guide. Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers' national insurance contributions, employers' pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. The figures in Section 2, Boxes 4 and 6 for the comparative column should read £9,425 and £98,325 respectively.

### Agenda Item 152b SAAA option

The Smaller Authorities' Audit Appointments (SAAA) has written to Newton Parish Council as follows:

Dear Clerk/RFO/Chairman, Newton Parish Council,

Under the Local Audit (Smaller Authorities) Regulations 2015, SAAA is responsible for appointing external auditors to all applicable opted-in smaller authorities, for setting the terms of appointment for limited assurance reviews and for managing the contracts with the appointed audit firms. Smaller authorities are those whose gross annual income or expenditure is less than £6.5 million.

The next 5-year appointing period runs from 2022-23 until 2026-27 and SAAA has undertaken a procurement exercise to appoint auditors to each County area from 1 April 2022. Now that the submission deadline for the 2021-22 Annual Governance and Accountability Returns has passed, this is to advise you of the option to opt-out of the next round of 5-year audit appointments.

All authorities require an appointed external auditor even if the authority meets the criteria to qualify for exemption, as a Certificate of Exemption is required to be submitted to the external auditor and the auditor must be in place in case of objections from local electors

During the previous 5-year period all smaller authorities were 'opted-in' to the central procurement regime managed by SAAA - no authority decided to 'opt-out' and follow the various complex procedures required under statute to appoint their own external auditor. If you wish to continue as part of the SAAA sector led auditor appointment regime then no action is required, you will remain part of central scheme.

However, all authorities must be given the option to opt-out of the central procurement and appointment scheme and appoint their own external auditor for the next 5-year period, although the process is onerous for smaller authorities.

This communication is to advise that whilst all smaller authorities are opted into the central procurement of external auditors by default, any authorities who do not wish to be part of the SAAA arrangements must formally notify SAAA that they wish to opt out within 8 weeks of this communication but no later than 28 October 2022; this decision must be communicated to SAAA via e mail to admin@saaa.co.uk.

If notification of your decision to opt out is not received within this 8-week period, then your authority will be regarded as opted-in for the next five-year period beginning on 1 April 2022 and ending on 31 March 2027.

#### **Opting-out**

Opting out is a significant decision which requires careful consideration; to assist authorities considering opting out further guidance has been developed to clarify what opting out means in practice. This detailed information can be found at www.saaa.co.uk

An authority that wishes to opt out must formally reach and record that decision in a way that meets the requirements of its own governance framework, by convening a full council meeting or an extraordinary council meeting.

Key implications are:

- an opted-out authority regardless of size (including exempt authorities) MUST appoint an appropriate external auditor;
- the appointed auditor must be a registered auditor as defined by the Companies Act and a member of Institute of Chartered Accountants (England and Wales).

- an opted-out authority must convene an appropriate independent auditor panel which meets the requirements of the Local Audit and Accountability Act 2014 (LAAA). Detailed guidance on auditor panels is available in Schedule 4 of the LAAA Act and from CIPFA;
- an opted-out authority will need to develop its own specification for its external audit contract, will need to negotiate the price for this work on an individual basis and will need to manage the contract, including any disputes, and any independence issues that may arise;
- an opted-out authority must ensure full compliance with the relevant requirements of the Local Audit and Accountability Act and supporting Regulations;
- any opted-out authority that does not successfully appoint an appropriate external auditor in the correct manner and notify SAAA who their external auditor is by 30 November 2022 will have an external auditor appointed for it by the Secretary of State through SAAA. This will result in additional costs of £300 which will have to be met by the authority.

## Agenda Item 152f Donation requests

The Fireside Club has written as follows:

The Fireside Club would like to ask for a donation of £250. We would like to use the money to help with transport [the Go Start bus cost £150 a session] when we go on excursions. We are also thinking of buying equipment such as a projector/proxima and screen which could be used for visiting speakers. This equipment would be held in the village hall and could also be used by other groups in the village.

I have attached a precis of the club's finances to September.

The Alston Charity has written as follows:

As you know, the charity provides gifts to villagers who are sick, bereaved or in need.

We also distribute small monetary gifts at Christmas and contribute to the Christmas parcels.

As that time of year is approaching, I would be most grateful if you would consider making a contribution to support us in providing these gifts.

NPC has traditionally donated £100 towards the parcels.

### Agenda Item 157 Asset replacement

Are there any assets that you consider requiring replacement over the next 6 months?

## Agenda Item 160 PIIP

As part of NPC's Community Infrastructure Levy (CIL) Policy, which is attached:

NPC will develop a Parish Infrastructure Investment Plan (PIIP) which will provide an audit of existing facilities within the locality, capture opinion on the needs and wants of residents and identify opportunities for collaborative spending with other groups, PC's, etc. to achieve the best use of funding sources for the benefit of the community. This will be reviewed annually at the May meeting.

NPC will review any proposed expenditure of its CIL money against the PIIP and ensure that the expenditure is for:

- The provision, improvement, replacement, operation or maintenance of infrastructure; or
- Anything else that is concerned with addressing the demands that development places on an area.
